RE: 3HW12 - Tonolli Incorporated Site

Dear Sir/Madam:

I am in receipt of your letter dated July 13, 1988 and the one dated August 12, 1988. I am fully aware that this action by your agency is a valid one and as a responsible member of the corporate world, I feel that everyone has some responsibility; however, due to the very small amount of involvement of my firm, I feel that we cannot help in a significant way to solve this problem.

We may be willing to consider any further proposal, as the situation progresses.

Yours truly,
FRANK CALANDRA, INC.
